DEPARTMENT OF

LONDON, CANADA

June 10-th 1954.

The
Federal Bureau of Investigation,
New York City-N.Y.U.S.A.

Gentlemen:

Some weeks ago I wrote to the "Citizen Forum" and asked them to send me one of their pamphlets, as I wanted to compare their activity with our Canadian "Citizen Forum". To my naive surprise I did find out, that "Dolfi" himself is spiriting it. Monday this week I received the here enclosed pamphlets, from some National Renaissance Party-alias NSDAP.

As an , I do not need to read to much these things, as I was an eyewitness to shootings of our University colleagues in 1939 the Pankrac stories in Prague, Lidice, etc. etc. etc., where the Aryan hords of the supergangster Adolf, proved their supremacy as a "PURE RACE".

I am an Lutheran myself in religion, and am ashamed, that a nation of Goethe, Luther, Schiller etc., produced also Goebels, Goerings, Hitler etc., who with the instruments of barbars ruined the Historical Europe of ours.

I hope that the here enclosed pamphlets will be to better services at your hands, as they be at my, so I am enclosing them here.

I remain

Sincerely yours:

P.S. behind the Iron Curtain, please do not mention my name anywhere.

EXCERPT FROM
SAC LT. #54-30

(L) NATIONAL RENAISSANCE PARTY - INTERNAL SECURITY - X (Bureau File 62-83296) -- The National Renaissance Party was founded in 1948 by James H. Madole of Beacon, New York, and has been described by reliable sources as a neo-Nazi, anti-Semitic and Nationalist organization. The aims and purposes of the National Renaissance Party as set forth in its official organ, "National Renaissance Bulletin," are "devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice."

The Bureau is in receipt of information indicating that as a result of the recent United States Supreme Court decision banning segregation in schools a member of the National Renaissance Party was instructed to incite riots by white students in the South. This member was also instructed to contact the Columbians to determine whether firearms are available. It is noted that the Columbians, a terrorist-type organization, is now defunct and has been cited by the Attorney General pursuant to Executive Order 10450.

In view of the possibility the National Renaissance Party may expand its activities, particularly in the South by affiliation with Ku Klux Klan-type organizations, all offices should be alert for any information indicating this organization is involved in racial disturbances. The New York Office is Office of Origin in the captioned matter.

DETAILS:

The National Renaissance Party will hereinafter be referred to in this report as the NRP.

A. GENERAL ACTIVITIES OF THE NRP

T-1, of known reliability, advised in May, 1954 that the NRP, which formerly had its national headquarters at the home of JAMES MADOLE in Beacon, New York, moved its headquarters to 10 West 90th Street, New York City when MADOLE and his mother moved to this address from Beacon.

The informant stated that MADOLE did not desire to have the Party correspondence sent to this address and attempted to obtain a Post Office box at 208 East 86th Street, New York City, which is a stationery store licensed to receive mail for individuals. The informant stated that MADOLE was refused a Post Office box by the owners of the Kerekes Book Store, who stated that inasmuch as this was a political organization, he could not be allowed to use one of their Post Office boxes. The informant stated that, therefore, MADOLE had been compelled to use his home address as the Party's new mailing address.

T-1 also stated that a great deal of the Party literature contains the address of [redacted] and that a great volume of the Party's correspondence is sent to this address.

T-1 further stated that although the Party literature continues to carry MADOLE's name as the National Leader and he is referred to as such by members of the Party, that in fact [redacted] and FREDERICK WEISS completely dominate him and control the activities of the Party.

b6
b7c

T-1 stated that a great deal of the mail and contributions which [redacted] receives at his apartment are never seen by MADOLE. He also stated that WEISS, by

~~CONFIDENTIAL~~

NY 105-6112

~~CONFIDENTIAL~~

means of controlling his contributions to MADOLE and the Party publications, is able to control MADOLE's activities.

T-1 stated that in recent months the mailing of anti-Semitic literature by the Party has been greatly increased and that this has been the principal function of the Party during the past few months. He also stated members of the Party, particularly [] and [] have been sending a considerable amount of personal letters to individuals requesting contributions.

T-1 stated that Party meetings in the last few months have been confined to small groups held at apartments of the members. He stated that a considerable number of these meetings have been held on Thursday nights at the apartment of [] at which approximately 10 to 12 people attended. He added that since MADOLE has obtained an apartment in May, 1954 in New York City that these indoor meetings have been held at his apartment and extensive plans are being made by MADOLE for the holding of the outdoor street corner meetings this summer in Brooklyn, Queens and Manhattan.

T-1 said that MADOLE has spent considerable time attempting to locate a suitable meeting hall for the Party in Manhattan and Queens but due to the notoriety received by the NRP, he has been unable to find anyone who would rent him a suitable meeting hall.

T-1 advised in May, 1954 that WEISS has been intending to send [] on a tour of Southeast United States on behalf of the NRP. It is WEISS' intention to utilize [] for personal contacts with many persons who are known to be sympathetic with national socialism in an effort to secure additional members for the NRP as well as financial support. The informant said that WEISS would supply some of these names to [] all of whom are known to have fostered anti-Semitism in the past.

T-1 also indicated WEISS had expressed the desire to send [] to Europe to visit Germany, Spain,

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

NY 105-6112

Sweden and possibly the Middle East for the similar purpose of contacting persons sympathetic to national socialism. The informant stated that WEISS indicated he would be willing to spend \$1,000 for this trip, which it is contemplated would take place after [] returns from his United States tour.

T-1 stated that the principal finances for the Party's activities appear to be furnished by WEISS, although the Party does receive small contributions from other individuals. He stated that WEISS pays for all the publishing costs of NRP literature and in addition gives a considerable amount of money to MADOLE and [] for the work that they do for the Party as well as for their personal living expenses. He stated that WEISS also pays the rent on MADOLE's apartment in New York, inasmuch as Party meeting are being held there.

T-1 added that WEISS also paid a considerable amount of the purchase price for a motorcycle which [] purchased in May, 1954 in contemplation of his United States tour.

T-1 further indicated that JAMES SHELDON, Head of the Non-Sectarian Anti-Nazi League in New York City, was furnishing money to [] for his work in the Party and for information which [] supplied him concerning activities of the Party.

T-2, of unknown reliability but who has furnished reliable information in the past, advised on May 26, 1954 that JAMES SHELDON was furnishing money to [] for reports which he submitted and literature which he furnished concerning the activities of the NRP and other nationalist groups in the United States. T-2 added that SHELDON had given [] \$60 for his expenses in connection with the contemplated trip of [] throughout the United States.

T-2 indicated that the NRP is a nationalist group backed by many former German SS officers. He stated that

Professor JAMES H. SHELDON was interviewed on 7/29/54 by SA JAMES P. MARTIN and the writer and furnished the following information concerning the subject and the NRP:

Professor SHELDON repeated the information which he had furnished on 6/16/54 concerning his original contact with the subject and added the following concerning their relationship:

He stated that [redacted] had furnished only a few written reports and stated that [redacted] had never furnished any reports to his organization and was not considered to be employed by them. He said that the principal function of the subject was to furnish party literature which subject had furnished in great quantities. SHELDON mentioned that he had on hand approximately 30,000 leaflets sent to the NRP by [redacted] of [redacted] who is a notorious Anti-Semite.

SHELDON also stated that the subject furnished his organization with practically all of the correspondence of the NRP which was photostated by them. He said that this furnished valuable information as to contacts of the NRP and persons who were interested in this type of movement. SHELDON further explained that the activities of the NRP itself were not of primary importance to his organization but that the subject was utilized in his capacity as a leader of the NRP to gain information concerning all other nationalistic groups throughout the US and Europe.

Professor SHELDON furnished a list entitled Nationalism Research Project which contained the names of many nationalistic propaganda groups/which his organization was collecting information. This list will be attached to the NRP file inasmuch as it deals with groups similar to the NRP and with which the NRP has been in contact.

Memo to SAC, NY
100-114224

Concerning the membership and strength of the NRP SHELTON commented that it was difficult to estimate inasmuch as the party had a very large mailing list which had been compiled from many sources and he could not ascertain how many of these persons actually would lend support to the activities of the NRP. He did state that a great many people had sent in contributions over the years to support the NRP and he would estimate the supporters of the party in the NY area to be several hundred. He stated, however, that at their public meetings only 50 or 75 individuals attended at the most.

SHELTON was questioned concerning his payments to the subject and stated that he does not recall accurately what money was paid to the subject but would attempt to obtain this information and provide it to this office. SHELTON stated that since October, 1953 to the present date, he had paid the subject \$50 per month, the rent of his apartment. He stated that this payment was in return for the subject's permission to install recording equipment in this apartment which could be utilized in recording conversations during the meetings of the NRP which were held there.

SHELTON stated that only on one occasion was a recording made and as nothing of value was obtained, it was discontinued. He stated, however, that they still maintain the right to record conversations at the subject's apartment and the subject does not know whether or not recordings are being made.

SHELTON also stated \$160 had been advanced to the subject for his assistance in connection with the contemplated trip throughout the South which the subject was to make to contact national socialist leaders. SHELTON said that the information which the subject might obtain by contacting these people was considered to be of considerable value to his organization and later the subject was given an additional \$50 for this trip.

Memo to SAC, NY
100-114224

He said that it was approximately this time (May, 1954) that the subject purchased a motorcycle which cost approximately \$260 and SHELDON assumes that part of the money he advanced was used in this purchase and that the remainder was obtained by the subject from FREDERICK WEISS.

SHELDON stated that whereas the subject had been able to furnish considerable information to his organization in the past regarding Nationalist activity in the US, that he felt that possibly this source was being exhausted and that he was considering discontinuing further financial aid to the subject.

He also stated that he had been concerned about the subject's conduct in his recent difficulties with the NYCPD. SHELDON was questioned concerning his knowledge of any illegal or illicit activities being conducted at the subject's apartment and he denied any knowledge of such. He further stated he knew nothing concerning the background of any of the women who have been known to frequent the subject's apartment.

SHELDON added that no further information had come to his attention concerning the subject's alleged Communist activities but that in view of persistent statements about the subject that he might deem it advisable to sever all connections with the subject.

Dear Sirs: HEREIN IS UNCLASSIFIED

DATE 3/24/01 BY 390631w/bu/ps

I am thoroughly frightened. That is one reason I hesitated to contact your department. My very first impulse was to notify you. On reflection, I felt it would be a dangerous move for me to make. However, I've thought constantly of it and have come to the conclusion that I should have obeyed that first impulse. What developed into a wierd experience, started in a normal enough fashion. I received a postal card, through the U.S. Mails, inviting me to a meeting, purportedly by "Citizens for McCarthy Committee." I have the utmost respect for Senator Joseph R. McCarthy of Wisconsin so this "invitation" interested me. The date was Friday evening, at 8 p.m., on August 27, 1954 at 32 East 32nd St. New York, N.Y. (Manhattan). Although the card was addressed to me - how did they get my name and address? - the "invitation" suggested bringing friends and relatives. Therefore, my mother accompanied me. There was nothing on the card to indicate something other than what was stated. At least, not to me. A number of people had responded - about 100 - and most of them were there when we arrived. The panel or the leaders of this movement almost defy description. There were four "speakers" and, although each was introduced by name, I cannot name them. The reason for this is that the introductions were slurred or otherwise obscured so that the words were indistinct - deliberately, I presume. Still, the chief speaker (the Leader) was mentioned a number of times as Mr. Medole, Madoll, Medolla or something sounding like that. He began his interminable talks innocently enough, giving a run-down of events covering the past twenty years. Of course, he managed to stress the fact that so many of the Jewish faith have been and are involved in Communistic activities. At first, there was no suggestion of the viciousness which was to follow. After getting the audience in a receptive mood, he announced that funds were badly needed to further the wonderful work the Renaissance Party (the "new" political party) is formulating. In other words

"the hat was passed" and a sizeable cash intake was made. Then, before the real intent of the gathering made itself known, of course. The Mr. M. (I'm unable to give the correct spelling of his name) went into his act, after that, tooth and hammer and spared no words to clearly convey the full meaning of what he was saying. I never in my life before heard such vilification, malice, censure, blame and utter hatred heaped upon the heads of one group of people - to the exclusion of any and all other human beings. Jewry was expounded to an extreme degree. Actually, this Mr. M. advocated sheer murder (spelled m-u-r-d-e-r) with long steel blades since "as we all know" that is the only language the Jew comprehends. I don't know any such thing. The travesty which ensued was ludicrous albeit it quite horrible. Mr. M. accompanied everything he said with a Jewish dialect, gestures, hideous faces - all the while giving facts and figures (out of the air) to dispute anything and/or everything we hitherto had heard regarding the, to us, heinous, late and very much unlamented Adolf Hitler. That creature was presented as a "babe in arms" compared to any Jew, living or dead. Obviously this individual was - and is - the exponent of a hate group and out to destroy decency in any of its many forms. Disparagement of the late Franklin D. Roosevelt, Harry S. Truman, President Dwight D. Eisenhower, the Republican Party, the Democratic Party, and Americanism in general followed in terms which only proved the degeneracy of the speaker. A great deal of mention was made of something called The Renaissance Party - address: National Renaissance Party, Box 137 Planetarium Station New York City, N.Y. - which will, indisputably, replace the now existing two-party system the U.S.A. enjoys (the last word is mine). Two other "speakers" had their say, too, but, comparably, they said nothing although they accomplished this with much ranting, raving and beating of fists on the table before them. A very distinguished-looking man, who had been trying, since the beginning of this outrage, to attract the eye of the chairman (unsuccessfully), finally was permitted to say his piece. He pulled no punches and said exactly what a great many of us were feeling. A veritable shambles ensued.

Before this member of the audience had completed what he had to say, the four speakers arose, as in a body, and verbally castigated him. He was called a Communist - among other unmentionable epithets. His protests were to no avail and he really had no chance being one person against a horde (others came forth from various parts of the room) of maniacal, desperate and villainous men. I have little doubt that physical assault would have been made on him but for the timely arrival of the Police. At this point, my mother and I left, fearing an outburst of violence. Consequently, I do not know the outcome of this truly nefarious and shameful exhibition of indecency. I hope I have made it plain why I am so afraid. It is only too apparent that fanatics like such individuals as they would stop at nothing to gain their ends.

My conclusions are that this vicious ring are using the mails fraudulently. They certainly are not a Committee for McCarthy nor anything else remotely approaching it. I never would have been part of such an evil movement - even as only a member of the audience as I was - had I had the slightest inkling of its rotten aims. I strongly believe that names should not be so indiscriminately available to anyone who wants to use them for his own ends. I assure you I would not have been a member of the Navy (WAVES) during World War II if my sympathies had been other than 100% American - the U.S.A. kind. I still feel the same way and expect I always will. I and others like me should not be subject to such foulness and there should be some form of protection for us. I am a Christian and the only organization I belong to is the Rosicrucians and they, unquestionably, are free from any evil taint.

Sincerely yours

I believe this should be brought to your attention. Obviously, my name is on a list which certainly does not have my sanction. The first time I became aware of this fraudulent organization was on August 27, 1954 when my daughter received a similar invitation which also included "come and bring all your friends to help organize chapters in every borough" in its text. I attended that meeting, innocently enough, under the impression that this was to be a forward movement for Senator Joseph R. McCarthy of Wisconsin. The meeting proved to be something altogether different from what the "invitation" purported it would be. Actually, it was a gathering of a hate-group of Nazi sympathizers. That meeting also was held on a Friday, at 8 p.m. at 32 East 32nd Street in Manhattan. The intention was "to help organize chapters in every borough" but, as the card did not indicate, Nazi chapters. I want it understood that my only interest in this nefarious outfit is to the effect that it should be exterminated. A law-enforcement department should take steps to stem this horrendous tide or, better still, to put it entirely out of existence. It represents an evil and a danger and should be prevented from using the U.S. Mails to mask its true intent. Not so incidentally, money contributions are made at these gatherings. I cannot conceive of a more unworthy cause. Naturally, Communism is being handled most effectively but, it appears, Naziism is not one whit less ominous. This outfit advocates Murder, in no uncertain terms, suggesting the use of long, sharp steel blades. Isn't this contrary to decency, law and order? I hope and pray you will give this letter your most serious consideration.

I wrote to you on August 31, 1954, regarding this very same matter. My previous letter gave full details of the horrifying experience. I just received another "invitation", again via U.S. Mail, which I am enclosing. Apparently, this outfit is untrameled and has full freedom to go about its nefarious business without legal interference. The postcard sent by Mr. Duffy, an "official", warrants your attention, too. He had taken my name and address, presumably to send me vital literature. Obviously, according to the card, he had no such intention. Of course, I want absolutely nothing to do with this treacherous organization and their next meeting will be held without my presence. I have no control over their mailing list so, undoubtedly, I will continue to receive notices from them. This is indeed unfortunate but so long as they are in business, I suppose they will go on flooding the post office with their fraudulent postal cards. I assure you they very definitely are not friends of Senator McCarthy or, for that matter, of anything resembling Americanism. They, by their own admission, are out to murder, destroy and vilify everything which has made this country what it is. Indeed, we were told, flatly, that "we ain't gonna talk about McCarthy." It is disgraceful that his name should, in any way, be connected with such a destructive force. I think this outfit should not be dismissed as merely a "crackpot" group. They are spreading evil and their methods are serious. Incidentally, the "free literature" does not have the approval of the publishers. I contacted America's Future, Inc. 210 East 43rd St. NYC 17, and received a reply to that effect from them. Naturally, the truth has no place among people who advocate murder. With all my heart, I hope that this horrible tide is stemmed - in a legal manner, of course.

Sincerely yours.

Dear Sir:

Knowing of your interest in the activities of the National Renaissance Party, I enclose a photostat of a postcard announcement which the head of that group (James H. Madole) has sent to a number of people, announcing a meeting tomorrow (Friday, September 10th). As you will note, this meeting is under the auspices of Madole's new "front" organization, which he calls "Patriots For McCarthy Organization."

It occurs to me that you might wish to have advance information concerning this matter.

I also enclose a copy of an article which I wrote concerning Madole's previous meeting, held under the auspices of this same "Patriots For McCarthy Organization." You will note that in his introductory remarks, Madole described the "Patriots For McCarthy Organization" as a group "sponsored by the National Renaissance Party."

The League has in its files a rather detailed report of the meeting discussed in my article, and I shall be glad to furnish you with a copy, if you so wish.

Sincerely yours,

By James H. Sheldon

THE NEO-NAZI NATIONAL RENAISSANCE PARTY, HEADED BY ITS "FUEHRER", JAMES H. MADOLE, HAS INVENTED A NEW CAMOUFLAGE FOR ITS ANTI-DEMOCRATIC, ANTI-JEWISH PROPAGANDA.

Last Friday night, Madole presided at a tempestuous meeting attended by about 100 specially invited people, in a private hall on East 32nd Street, New York, where he and other speakers delivered the same old Hitler-like propaganda line which they had reserved, up till now, for street corners in Yorkville.

Madole announced that the meeting was being held in the name of the "Patriots for McCarthy Organization," which he described as a group "sponsored by the National Renaissance Party". He said the purpose was to set up a new "third party" organization with McCarthy at the head.

AT NO TIME DID MADOLE INDICATE THAT THE WISCONSIN SENATOR KNEW ANYTHING ABOUT THIS SCHEME, WHICH SEEMED TO OBSERVERS TO BE MERELY A WAY OF TRYING TO ENLARGE THE FOLLOWING OF THE NEO-NAZI NATIONAL RENAISSANCE PARTY.

In fact, as the evening wore on, several persons in the audience — who insisted that they really were friends of McCarthy—attacked the speakers verbally and finally walked out in a body.

According to the speakers, "the Jews" were responsible for the Soviets' seizure of Poland, Czechoslovakia, Rumania and the other lands that have gone behind the Iron Curtain. How it also happens that the governments of these lands have been persecuting Jews Madole failed to explain.

UN-AMERICAN ACTIVITIES

EXCLUSIVE TO THE AMERICAN HEBREW

(Continued from Page 1)

NEW YORK NEO-NAZIS TRY NEW COVER-UP

Literature distributed at Friday's meeting included a brochure by COMMON SENSE headed "The Coming Red Dictatorship." This is the same violently anti-Semitic publication which was sent to several hundred legislators in various States, last Winter, and led to official complaints from Congressmen. Each copy was stamped, in red ink, with the address of the National Renaissance Party.

Among the speakers was C. Daniel Kurts, of Jamaica, L. I., self-styled head of the "Christian Front." Kurts (whose original name was Casimir Kudelski) became notorious in 1945, when his street meetings in Queens led to the arrest of three anti-Semitic speakers.

The Non-Sectarian Anti-Nazi League has previously suggested to Attorney General Brownell that the Renaissance Party be added to the Attorney General's official list of "subversive" organizations. After Friday's meeting the League renewed its suggestion.

Evidently, the new camouflage device ("Patriots for McCarthy Organization") is the answer to the question why the National Renaissance Party has held fewer street corner meetings this Summer than last. The "Party" has been trying to "go respectable." But when some of the audience complained about his excessive anti-Semitism, Madole made everything clear. He said that at the next meeting the "Party's" guards would be in uniform, as in the street meetings, and anyone who interrupted would be "dealt with."

Madole again pronounced his opposition to our American system of government. "Parliamentary democracy is incapable of giving our youth any ideal

to fight for," he said.

One of the leaflets on the literature table said: "This spirit of Democracy is a 'Jewish spirit,' whose only God is the Great God Gold. Democracy is alien to the strong, creative and self-sufficient spirit of the Aryan racial community. Hence we must do away with this gold-worshipping Jewish ideology."

Elsewhere, the same leaflet attacked "Jewish World Bolshevism" and called for revival of the "Prussian Spirit."

Madole made violent attacks upon the Non-Sectarian Anti-Nazi League, the Anti-Defamation League, the NEW YORK POST, Barry Gray and the American Jewish Congress. He attacked President Eisenhower and former Presidents Roosevelt and Truman, in equally vituperative language.

Another speaker, John K. Mason, praised Madole and publicly shook hands with him, while declaring "the audience here tonight is the finest and most intelligent I have ever spoken to."

A collection was taken up by an elderly carpenter who frequents National Renaissance Party meetings, and observers reported that most of the people present put in dollar bills. (After the meeting was over, at least one woman was heard demanding that her dollar be returned.)

During the discussion part of the meeting, persons who differed with Madole were loudly denounced as "communists," even though they announced that they were supporters of Senator McCarthy, but differed with Madole's anti-Semitism. It was at this point that part of the audience walked out.

In addition to the publications already quoted, the literature table contained two pamphlets by John T. Flynn, former New York head of the isolationist America First Committee, and now director of "America's Future, Inc.," an organization which sponsors his weekly broadcasts.

All in all, Friday night's meeting followed the usual line of

the National Renaissance Party, whose BULLETIN last year featured an article by Madole headed: "Adolf Hitler—The George Washington of Europe." Wrote Madole on that occasion: "Although Adolf Hitler is dead, his philosophy lives again in the growing strength of Fascist forces in America, Europe and the Middle East. What Hitler accomplished in Europe, the National Renaissance Party shall yet accomplish in America."

It is up to good Americans to see to it that this kind of propaganda — closely reminiscent of the activities of Fritz Kuhn's German-American Bund — does not have any opportunity to secure a foothold in the United States.

The Renaissance Party has expanded its field of interest this year from Yorkville to the other Boroughs of New York City and has held street corner meetings in Brooklyn and elsewhere. All have been shot through with violent attacks upon American democracy, says

Negroes and other minorities, and praise for a one-party system of government.

In setting up his "uniformed Elite Guard," Madole wrote (in a handbook for members of this "uniformed" group): "You may consider your enlistment in the Elite Guard as similar to an enlistment in a private army, whose sworn purpose is the establishment of an American regime based on the principles of racial nationalism and social justice."

In this respect, the Renaissance Party procedure parallels that of such earlier agitators as William D. Pelley, whose notorious Silver Shirts were the subject of Congressional investigations in the Thirties.

This article was written especially for THE AMERICAN HEBREW by James H. Sheldon, Administrative Chairman of the Non-Sectarian Anti-Nazi League and formerly Professor at Boston University.

Subversive Front:

Plot to Pin Bigot Tag On Joe

By HOWARD RUSHMORE

NOW that the eggheads have declared open season on Joe McCarthy—and even some anti-Communists are taking their 30 pieces of silver from the enemy—it is high time the methods of this crew were brought to public view.

It is a genuine conspiracy, well-oiled and well-heeled. And in its ranks are McCarthy haters who are using anti-Semitic organizations as part of their campaign against the Wisconsin Senator.

A few days ago several hundred postcards were received by McCarthy supporters in the metropolitan area, inviting them to a meeting at 32 E. 32nd st. The organization sponsoring the rally called itself "Patriots for McCarthy."

Crackpot Speakers

No identifying names were on the postcard and the subversive nature of the outfit was not ascertained by the anti-Communists who attended. All crackpot speakers took the platform and launched an attack on Americans of Jewish faith.

The meeting ended in an uproar as indignant spectators arose to denounce the speakers. One Fordham student told the crackpots that the whole affair was a "blasphemous insult to the people to which Christ, His Mother and the Apostles belonged" and added that the sponsors were "deliberately trying to associate McCarthy with anti-Semitism." Most of the audience then left the hall.

Further investigation shows that the meeting was organized by the National Renaissance Party, a fly-by-night Yorkville outfit with a telephone booth membership. The outfit trades on anti-Semitism and the sources of its finances is now under investigation by a Congressional committee.

This committee has one sworn statement from a member of the Renaissance Party who joined on the suggestion of a certain commentator who makes a living off anti-McCarthyism. Other investigators are digging into the record of the organization which apparently is full of "plants" sent in to sponsor "Patriots for McCarthy."

Low Blow for Joe

So here we have the ethical eggheads, the professional breastbeaters for fair play, dealing Joe McCarthy a blow from deep left field that would sicken the moral standards of an alley rat.

When informed of the meeting, McCarthy said he knew nothing about it and certainly wanted no part of such a gang. But undoubtedly there will be other "Patriots for McCarthy" meetings, financed by mysterious figures who will do anything, including encouraging anti-Semitic organizations, to strike a low blow at McCarthy.

Fourteen years ago Martin Dies hauled Fritz Kuhn, William Dudley Pelley and other similar fakers who had been supporting his committee on the witness stand and exposed them to public view for the rodents they were. As soon as the eggheads give McCarthy a breather, we'd like to see Joe do the same thing--and reveal the real sponsors of this organized anti-Semitism.

She formerly owned the house now owned by [] Informant said that WEISS was responsible for bringing [] to White Plains and negotiating the sale [] was known as [] at that time (about 1946) and later married . WEISS still sees her, probably about once a week , and informant believed that [] occasionally gives money to WEISS .

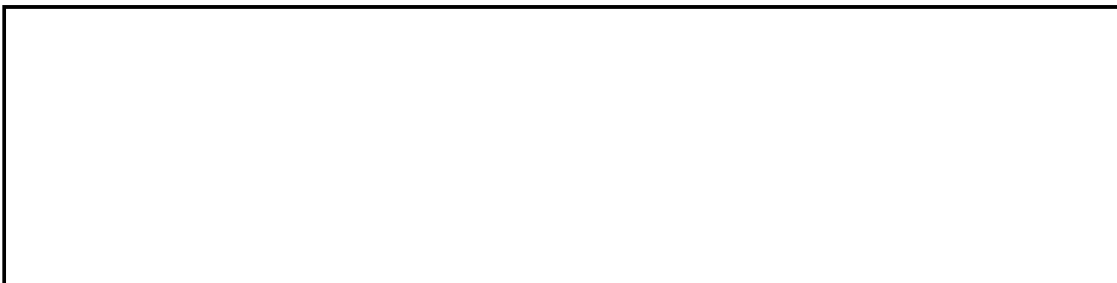

Informant advised that a meeting was held on Aug. 27, 1954 in New York City called "Patriots for Mc Carthy " . This apparently was a stormy affair, and was open to the public. A clipping from the NY Journal American, dated Sept. 4, 1954 was furnished by the informant and is attached.,

MADOLE called WEISS on Sept. 4, 1954 and said that he wanted to see WEISS on either Sept. 5 or 6, 1954. They arranged to meet on Sept. 5, 1954 at the Seidleberg Restaurant, 40th St., and 3rd Ave., for 11 AM. WEISS went to NYC on Sept. 5, 1954, ostensibly to keep this appointment .

A Mr. DE ANGELO (fnu) called on Sept. 5, 1954 about 11 AM and wanted to know if WEISS was going to NYC as he wanted to see WEISS . On Sept. 6, 1954, DE ANGELO called again and left a message for WEISS that a letter was received from Atlantic City and that a man was coming to NY on Sept. 7, 1954 and was bringing a letter from Germany . De ANGELO left a number for WEISS to get in touch with him - Triangle 5 - 9338 .

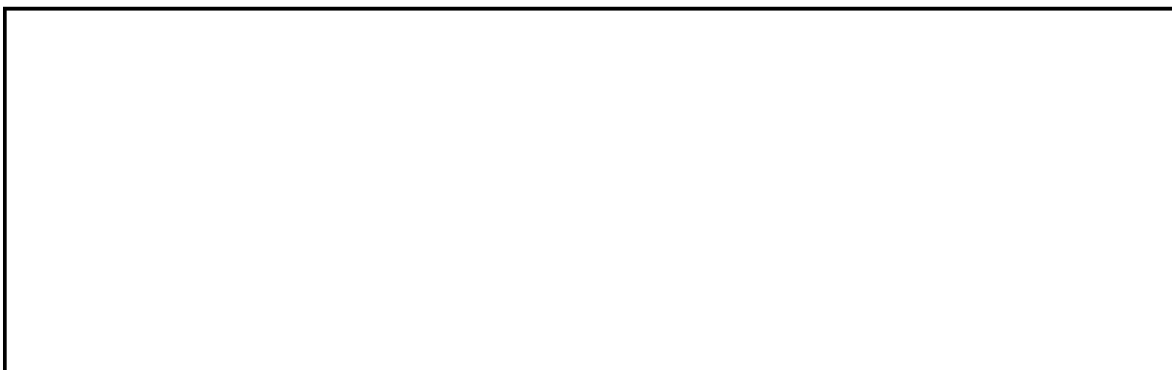

b7D

[] WEISS said that DE ANGELO is a double crosser and was trying to trap WEISS .

b7D

This call had upset the informant and was the reason for her getting in touch with authorities . She wanted to know what to do about DE ANGELO. She was advised that it was matter of her own judgement but th t if he were not a government agent, she had no obligation to talk to him. If he is an agent of a government agency, it was pointed out that she had no obligation but out of a sense of duty to the country, she might wish to discuss the matter with an agent .

b7D

BOHLE was from the Bonn government and was in the US to investigate WEISS. BOHLE was supposed to claim that WEISS was getting money from Communists to ~~illegally~~ finance the Renaissance Party . B HLE is also supposed to have affidavits showing that WEISS has been getting money from GERMANY.

The informant said that the charge that WEISS receives ~~from~~ help from Communists is true. She based this on statement that she had overheard WEISS talking to a man named BEN FRIEDMAN(phonetic) . He was to meet WEISS at a bank on the Bowery and give WEISS a contribution of \$100 . Over the ~~line~~, telephone, WEISS said to FRIEDMAN- that 2 or 3 other communists have given him money .

In regard to other matters of more recent occurrence, the informant advised that a meeting was supposed to be held, (of a public nature) at the Dauphin Cafe, 67th St., and Broadway, NYC , on Sept. 10, 1954 at 8 PM.

She stated that a man named WES HOOKER, from Larchmont, N.Y., was supposed to be the speaker at the meeting. In regard to HOOKER, she had heard that HOOKER gave a contribution to WEISS of \$500. to help the cause .

Informant returned home and then returned to the White Plains RA with additional information and a number of photostats .She explained that after CHARLES FLECKENSTEIN had broken with WEISS, [REDACTED]

[REDACTED] WEISS was not to be trusted . [REDACTED]
[REDACTED] She claimed that this is the source of her possession of this papers. She did not want them returned .

b7D

She also said that the Le Blanc press in NYC handled much of the material for WEISS . When Le Blanc is unable to handle this business, a man named [REDACTED] who operates a non union press in Union City, N.J., handles printing .

The informant related that one KEITH THOMPSON, who has been associated with WEISS, is supposed to be a homosexual . She overheard WEISS mention this on the telephone .

Informant mentioned a man named [REDACTED] . SHE said that FLECKENSTEIN [REDACTED] is a graduate of the Jefferson School and is a Communist . [REDACTED] was supposed to have been arrested about 6 weeks ago and charged with having a 14 year old girl in his apartment and using her for purposes of prostitution .

CONFIDENTIAL SOURCE

[redacted] advised on 9/10/54 the following information concerning the National Renaissance Party and its members:

This informant stated that the NRP would have a meeting on 9/10/54 at the Dauphin Cafe, 67th Street and Broadway, NYC. He stated that several hundred cards announcing this meeting had been mailed out using the title Citizens for MC CARTHY as had been done for the last meeting which was held at the Club 32.

The informant stated that at this last meeting several individuals in the audience had arose and protested vigorously the use of Senator MC CARTHY'S name in connection with this organization, which was obviously anti-Semitic and opposed to the things that Senator MC CARTHY stood for.

The informant added that JAMES MADOLE had stated that he did not care what people thought about his using MC CARTHY'S name or whether the Senator liked it or not. He said that it was a good way to get publicity for the NRP and that they were able to get meeting halls by using such a name.

The informant stated that FRED WEISS had stated that WEST HOOKER had agreed to speak at the NRP meeting scheduled for 9/10/54. WEISS stated that he feels that HOOKER will be able to aid MADOLE in his projecting to publicize the NRP through the use of MC CARTHY'S name because of his violent manner of speaking. The informant added that after the last meeting of the NRP, JAMES MADOLE had been fired from his job because his employer learned that he was head of the NRP.

The informant stated that FRED WEISS had advised that [redacted] had gone to Germany within the past two weeks and that WEISS was staying at his apartment at 127 East 27th Street at occasions when he remained in NYC.

The informant said that WEISS stated he would stay at the Empire Hotel on Broadway the night of the NRP meeting and would not attend the meeting, but would have someone report the events as they transpired inasmuch as the Empire Hotel is in close proximity to the Dauphin Cafe.

WEISS further stated that he was preparing an affidavit concerning the activities of Professor JAMES SHELDON in connection with the activities of MANA TRUHILL and would submit it to LYLE STEWART for publication in his newspaper "Expose."

WEISS also indicated that LARRY SESTITO was aiding him in preparing this information and in fact was working very closely with WEISS in all matters. WEISS had also told MADOLE that he should have nothing more to do with TRUHILL and that he should not be permitted to engage in any further activities for the NRP.

The informant was unable to furnish any further information concerning the whereabouts of RUTH ROSS except to state that all members of the Party, who were acquainted with her indicated that she had gone to California to an unknown city.

SA [redacted] furnished the following information to
SA [redacted] on 9/10 and 17/54.

Informant stated that the latest meeting of the NRP was held at the apartment of JAMES MADOLE on 9/16/54. He stated those present were MADOLE, MOSTACCIO, RUDDEN, DUFFY, HANS SMITH, MANA TRUHILL, D'ANGELO, F. C. WEISS, and DE PORTOROCOA, a friend of WEISS, about sixty years old who spoke with a pronounced German accent and is believed to be Austrian.

During this meeting MADOLE set forth the outline for a plan to increase Party membership and improve its financial position. He stated that they should start working with twenty-five block leaders and that each leader should select twenty-five members for his group. He further stated that each member selected would be required to contribute \$1.00 per month and \$1.00 to join the NRP. He stated this would make \$625.00 in the first month for membership and an additional \$625.00 for initiations. He added that in future months they could produce as many as 50 block leaders.

MADOLE further stated that very soon the NRP would not be able to use the name of Senator MC CARTHY in sending out invitations to their meetings. He stated that the Jewish Organizations have been putting pressure on MC CARTHY urging him to denounce the NRP and as a result they would soon be unable to obtain a meeting hall by using this ruse. He added that there was no likelihood they would hold any public meetings within the next month as they had no funds available.

The informant advised that MADOLE had stated on 9/14/54 that members of the State of New York Joint Legislative Committee on charities and philanthropic organizations, accompanied by a NY State Trooper, visited him on two occasions at his apartment. He said these people asked questions regarding TRUHILL and RUTH ROSS and also wanted to know all about the NRP, including names of contributors and amounts. MADOLE stated he refused to give them any pertinent information along these lines.

MADOLE also stated that the 32 Club and the Hotel Dauphin had refused to allow him to hold further meetings of the NRP in their meeting halls.

The informant stated that a meeting of the NRP was held on 9/10/54, at the Cafe Dauphin, Hotel Dauphin, Broadway and 67th Street, New York City, under the name "Patriots for Senator MC CARTHY." He stated that about 35 to 75 persons were in attendance during the evening including all of the known Party members and the meeting was supervised by uniform policemen. He stated that old issues of the "NRP Bulletin" were passed out and a collection was taken up, which amounted to about \$30 or \$40. The informant stated that the people who attended this meeting appeared to be most of the old time politically minded people of Yorkville, who have attended street meetings in the past and there was a definite lack of individuals who appeared to come to the meeting in support of Senator MC CARTHY, as was evidenced at the last meeting held at Club 32.

MADOLE was the principal speaker at this meeting and reviewed the previous meeting at Club 32, stating that he is not attempting to hurt the cause of Senator MC CARTHY but rather is trying his best to help.

He further stated that the NRP will be the third party which will endeavor to save the country and continued his usual anti-semitic line.

The informant stated that ARTHUR KOEGEL has been expected to arrive in NY in the next few weeks to visit with FREDERICK WEISS. He stated that KOEGEL is the Manager of the Chicago German-American Newspaper, "Burger Zeitung." He stated that KOEGEL did arrive on 9/17/54 and remained over the weekend at the Hotel Empire with WEISS.

Informant stated WEISS had indicated that he no longer trusts RUDOLF BOLLE and has stated that he believes him to be an agent for the Bonn Government in Germany and has told members of the NRP to be wary of him. Informant stated that WEISS maintains that FREDERICK D'ANGELO is also an agent and suspects that he reports information to the FBI. WEISS has been suspicious of D'ANGELO, mainly, because he has been spending money for the Party and its literature rather freely recently.

The informant further stated that WEST HOOKER was alleged by WEISS to have agreed to be a speaker at the NRP meeting on 9/17/54.

WEISS, however, indicated that HOOPER had decided at the last minute that it would be unwise to appear as a speaker there.

Informant advised that WEISS and SESTITO had been preparing a story concerning Professor SHELDON which will appear in expose. He stated that this article would attempt to expose SHELDON's activities as well as his past associations with the "Daily Worker" and the "Compass" and other leftist activities such as: SHELDON's trip to Poland in connection with the "Peace Committee." Informant stated that this article would also include information about SHELDON's homosexual activities while at Boston College and the complete article would be written by KEITH THOMPSON.

Informant further advised that WEISS has recently been concerned over possible action which may be instituted against him by the authorities. WEISS is particularly concerned about his recent articles which have been sent to Congressmen and Senators, having been written by Russian anti-semitics and translated from Russian into English.

Informant stated that WEISS further indicated that he was to be questioned by the FBI in NY concerning a recent letter which he had written to Director HOOVER concerning the persecution of ARCIUK by the Bonn Government in Germany.

Informant stated that this individual has also been mentioned by WEISS under the name of DERSHAVIN and as the man in Germany who sends the anti-semitic publications to WEISS to be distributed in the United States.
